

**Activate Plus™
Nonionic Surfactant**

PRINCIPAL FUNCTIONING AGENTS:

Alkylaryl polyoxyethylene glycols, tall oil fatty acids	90%
CONSTITUENTS INEFFECTIVE AS SPRAY ADJUVANT	10%
TOTAL	100%

All ingredients are exempt from the requirements of a tolerance in 40 CFR 180.

KEEP OUT OF REACH OF CHILDREN

WARNING

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
WARNING**

Causes substantial but temporary eye injury. Causes skin irritation. Do not get in eyes, on skin or on clothing. Wear protective eyewear (goggles, face shield, or safety glasses) and chemical-resistant gloves when mixing or handling concentrate. Harmful if swallowed. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse.

FIRST AID:

IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have the person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

STORAGE AND DISPOSAL

STORAGE: Store in cool, dry location away from heat or open flame. Store in original container only. Do not contaminate water, food, or feed by storage or disposal.

CONTAINER DISPOSAL: Do not reuse empty container. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. Contact your state and local ACRC recycler or visit the ACRC web page at www.acrecycle.org. Decontaminated containers may also be disposed of in a sanitary landfill.

GENERAL INFORMATION

ACTIVATE PLUS is superior 90/10 nonionic water soluble surfactant designed for use in certain agricultural and horticultural sprays. Use adequate ventilation when handling concentrate.

DIRECTIONS FOR USE

Suggested rates for use with various categories of chemicals are as follows:

Chemical Group	Pints of ACTIVATE PLUS to add per 100 gallons of spray mixture
Insecticides, Miticides & Fungicides	0.5 to 2 pints
Herbicides	1 to 4 pints
Glyphosate formulations without added surfactants	8 pints
Defoliants & Desiccants	1 to 4 pints
Fertilizers & Micronutrients	0.5 to 2 pints
Livestock sprays	0.25 to 0.5 pints

In difficult wetting situations (such as hard water or mature waxy foliage), use the higher rate.

NOTE: Carefully read and follow the directions contained on the label of the herbicide, insecticide, or livestock spray with which ACTIVATE PLUS is to be used. For local recommendations consult competent agricultural authority.

Cotton Pickers: Use 0.5 to 0.75 pints per 100 gallons of water in the picker tank. While filling the tank with water add the ACTIVATE PLUS when about half full and mix thoroughly. Continue to fill the tank with circulation.

Gins: Use at a rate of 0.75 pints of ACTIVATE PLUS per 100 gallons of water to restore moisture to cotton.

Aerial Application: When applying aurally, see rate chart above and always follow pesticide label directions including a minimum water volume per acre. Do not substitute ACTIVATE PLUS for water required by the pesticide label.

Aquatic Application: Apply at the rate of 2 pints per 100 gallons of spray solution and always follow pesticide label directions.

Due to variations in materials, application equipment, water quality, and other conditions, the optimum use rate may vary. Use enough ACTIVATE PLUS to form a smooth uniform spray deposit.

Notice of Warranty

Seller warrants that the product conforms to its chemical description and is reasonably fit for the purposes stated on the label when used in accordance with directions under normal conditions of use. SELLER MAKES NO OTHER EXPRESS OR IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, NOR IS ANY REPRESENTATIVE OF SELLER AUTHORIZED TO MAKE ANY SUCH WARRANTY OR MODIFY THESE TERMS. This warranty does not extend to the storage, handling or use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to Seller, and Buyer assumes the risk of any such storage, handling or use. Seller shall not be responsible for incidental or consequential damages, if any, resulting from a breach of warranty.
