

Complex[®]

Spreader/Sticker

For Use With Insecticide, Fungicide, and Herbicide Sprays.

PRINCIPAL FUNCTIONING AGENTS:

Alkylphenol ethoxylate, alkylphenol polymerized resin, linoleic diethanolamide	23.2%
CONSTITUENTS INEFFECTIVE AS SPRAY ADJUVANT*	76.8%
TOTAL	100.00%

*Contains Petroleum Distillates

All ingredients are exempt from the requirements of a tolerance in 40 CFR 180.

KEEP OUT OF REACH OF CHILDREN

CAUTION

Harmful if swallowed. Causes moderate eye irritation. Avoid contact with eyes, skin or clothing. Wear chemical-resistant gloves. Wash thoroughly with soap and water after handling.

FIRST AID

If Swallowed: Immediately call a poison control center or doctor. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person.

If In Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

If On Skin Or Clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

STORAGE AND DISPOSAL

Storage: Do not store below 32°F. Do not store near feed or food products.

Container Disposal: Do not reuse empty container. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit the ACRC web page at www.acrecycle.org. Decontaminated containers may also be disposed of in a sanitary landfill.

COMPATIBLE • MULTI-PURPOSE • REDUCES FOAM

- Increases retention of spray solutions to the target
- Reduces evaporation loss

GENERAL INFORMATION

COMPLEX is a self-emulsifiable spreader/sticker, nonionic surfactant adjuvant designed to improve the efficiency of herbicide, insecticide*, and fungicide* sprays by increasing contact activity, penetration, and adhesion to plant surfaces. COMPLEX can be used on food and feed crops, and non-crop uses such as rights of way, industrial, forestry, etc.

***Note:** Not for use in combination with insecticide or fungicide sprays in California

COMPLEX's surfactant action helps to keep the solution in suspension and reduces surface tension to give the spray a more uniform coverage. COMPLEX also increases the penetration of the leaf wax to increase the penetration of the chemical.

MIXING INSTRUCTIONS

Add COMPLEX to the spray tank with good agitation after all other spray materials have been added.

DIRECTIONS FOR USE For Terrestrial Use Only – Not For Aquatic Use

Dosage Per 100 Gallons Spray Mix

Fungicides and Acaricides	1/2-2 pints
Herbicides (READ PRODUCT LABEL).....	1-3 pints
Insecticides	1/2-2 pints
Wettable Powders	1/2-2 pints

NOTE: When using with sensitive crops, use lower rates with fungicides, acaricides and insecticides. If there is a question, use lowest label rate, especially if several products are to be used in a tank mix. Always read and follow the directions, restrictions, and precautions on the pesticide label.

For low volume spraying: Use 3 to 6 fluid ounces per acre on field crops such as cotton, forage, grain, and row crops.

Aerial Application: When applying aerially, follow pesticide label directions including minimum water volume per acre. Do not substitute COMPLEX for water required by the pesticide label.

Notice of Warranty

Seller warrants that the product conforms to its chemical description and is reasonably fit for the purposes stated on the label when used in accordance with directions under normal conditions of use. SELLER MAKES NO OTHER EXPRESS OR IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, NOR IS ANY REPRESENTATIVE OF SELLER AUTHORIZED TO MAKE ANY SUCH WARRANTY OR MODIFY THESE TERMS. This warranty does not extend to the storage, handling or use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to Seller, and Buyer assumes the risk of any such storage, handling or use. Seller shall not be responsible for incidental or consequential damages, if any, resulting from a breach of warranty.
