

PREFERENCE[®]
NONIONIC SURFACTANT and ANTIFOAMING AGENT
PRODUCT PROTECTED BY U.S. PATENT 5260260

PRINCIPAL FUNCTIONING AGENTS:

Alkylphenol ethoxylate, sodium salts of soya fatty acids, isopropyl alcohol.....	89.5%
CONSTITUENTS INEFFECTIVE AS SPRAY ADJUVANT	10.5%
TOTAL	100%

All ingredients are exempt from the requirement of a tolerance in CFR 40, 180.

KEEP OUT OF REACH OF CHILDREN
WARNING

PRECAUTIONARY STATEMENTS

Harmful if swallowed. Causes substantial but temporary eye injury. Causes skin irritation. Wear protective eyewear (goggles or face shield) and chemical-resistant gloves when mixing or handling concentrate. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse.

FIRST AID

IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

GENERAL INFORMATION

PREFERENCE nonionic surfactant is a low foam surfactant used to improve the effectiveness of foliar-applied insecticides, herbicides, fungicides and defoliant. By adding PREFERENCE nonionic surfactant to the spray mixture, it will reduce surface tension of spray droplets, resulting in more thorough wetting of leaf surfaces and will aid in pesticide absorption by leaves and foliage.

MIX WELL BEFORE USING

DIRECTIONS FOR USE

PREFERENCE nonionic surfactant may be used whenever a pesticide label allows for the addition of a nonionic surfactant. Always check pesticide label for specific crop use and application rates.

Suggested rates for use with various categories of chemicals are as follows:

Chemical Group	Pints of PREFERENCE to add per 100 gallons of spray mixture
Insecticides, Miticides & Fungicides	0.5 to 2 pints
Herbicides	1 to 4 pints
Glyphosate formulations without added surfactants	8 pints
Defoliants & Desiccants	1 to 4 pints
Fertilizers & Micronutrients	0.5 to 2 pints

In difficult wetting situations (such as hard water or mature waxy foliage), use the higher rate.

Aquatic Use: Use 1 to 2 quarts of PREFERENCE per 100 gallons of spray solution in aquatic weed control applications. Always follow herbicide label for specific directions and precautions.

NOTE: Carefully read the directions and precautions contained on the label of the herbicide, insecticide, or fungicide with which PREFERENCE is to be used. Follow pesticide label instructions to determine when PREFERENCE should be added to the spray mixture and for the proper rate.

STORAGE AND DISPOSAL

Storage: Do not store near heat or open flame. Keep container closed in a cool, dry location. Do not contaminate water, food, or feed by storage or disposal.

Container Disposal: Store in original container only. Do not reuse empty container. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. Contact your state and local ACRC recycler or visit the ACRC web page at www.acrecycle.org. Decontaminated containers may also be disposed of in a sanitary landfill.

Notice of Warranty

Seller warrants that the product conforms to its chemical description and is reasonably fit for the purposes stated on the label when used in accordance with directions under normal conditions of use. SELLER MAKES NO OTHER EXPRESS OR IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, NOR IS ANY REPRESENTATIVE OF SELLER AUTHORIZED TO MAKE ANY SUCH WARRANTY OR MODIFY THESE TERMS. This warranty does not extend to the storage, handling or use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to Seller, and Buyer assumes the risk of any such storage, handling or use. Seller shall not be responsible for incidental or consequential damages, if any, resulting from a breach of warranty.
