

**PROTANK™  
LIQUID CLEANER**

SPRAY TANK CLEANER  
AND NEUTRALIZER

FOR COMMERCIAL OR FARM USE ONLY

ACTIVE INGREDIENTS .....	46%
INERT INGREDIENTS .....	54%
TOTAL .....	100%

**KEEP OUT OF REACH OF CHILDREN**

**DANGER**

**AVOID CONTACT WITH EYES. Can cause severe eye burns resulting in damage to the eyes. Wear eye protection when using, such as safety goggles, safety glasses or face shield. Users of concentrate should also wear chemical resistant gloves when handling.**

**FIRST AID**

**If in eyes:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after 5 minutes, then continue rinsing eye. Call a poison control center or doctor for further treatment advice.

**If on skin:** Remove contaminated clothing. Rinse skin immediately with plenty of water.

**If swallowed:** Rinse mouth immediately with water. Dilute any ingested material by drinking water or preferably milk. Do not induce vomiting. Call a poison control center or doctor for treatment advice.

**CLEANS SPRAY RIGS  
DISSOLVES QUICKER – LEAVES NO RESIDUE  
SHORTER RINSE CYCLE**

**IN ALL PURPOSE RIGS:**

Lessens contamination when changing from one chemical to another.

**IN SINGLE PURPOSE RIGS:**

Assures accurate dosage by removing chemicals from the previous batch.

**USE BEFORE SPRAYING TO:**

Remove scale, dirt, etc. -- Protect pump and valves. -- Reduce strainer clogging. -- Minimize nozzle wear.

**THIS PRODUCT NEUTRALIZES  
ACIDIC TYPE CHEMICALS**

## **DIRECTIONS**

**FOR LARGE TANKS** — 100-300 GALLONS: Close boom valve and add 50 gallons of water to tank, then turn on agitation and add one pint of PROTANK LIQUID CLEANER. PROTANK LIQUID CLEANER goes quickly into solution, allowing you to circulate the liquid through the valves, hoses, and pump by opening the bypass valve. Use the hand boom to wash down the tank interior and cover. Once the pump and interior have been cleaned, open boom valve and empty tank by spraying out through boom and nozzles. Take care to observe proper disposal of spray solution. Rinse tank by following the same procedure using water only. A three minute rinse using cold water is necessary, however if you are changing over to a different chemical, a second rinse will lessen the chance of contamination.

When cleaning a tank used for herbicides and chemicals that can cause plant response at low levels, pay particular attention to those parts of the equipment that may absorb the chemical such as hoses, connections, and pump and hand boom packing. Use as directed but in addition allow the rinse solution to remain in the sprayer and its parts overnight. PROTANK LIQUID CLEANER, when used according to label directions, will usually adequately clean the exposed surface of these areas, however, when using these types of chemicals, parts of the sprayer that can absorb product may need to be replaced.

**FOR SMALLER TANKS** – Fill tank half full of water and use 1 ounce or more for each 3 gallons of the tanks volume.

When using PROTANK LIQUID CLEANER to clean tanks left standing or containing built-up residue from extended use, allow the cleaning solution longer time to act.

PROTANK LIQUID CLEANER's cleansing action may remove rust and scale that was sealing a badly corroded tank, however, it will not harm steel, aluminum, brass or poly tanks and parts if directions concerning rinsing are followed.

## **STORAGE**

DO NOT ALLOW THIS PRODUCT TO FREEZE. RECOMMENDED STORAGE TEMPERATURE IS 55 DEGREES OR HIGHER. Store in secure area, away from children.

## **DISPOSAL**

This product by itself, does not have any disposal requirements, but once used, the cleaning solution resulting from its use must be disposed of according to the label of the pesticide last used in the spray tank.

## **Notice of Warranty**

Seller warrants that the product conforms to its chemical description and is reasonably fit for the purposes stated on the label when used in accordance with directions under normal conditions of use. SELLER MAKES NO OTHER EXPRESS OR IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, NOR IS ANY REPRESENTATIVE OF SELLER AUTHORIZED TO MAKE ANY SUCH WARRANTY OR MODIFY THESE TERMS. This warranty does not extend to the storage, handling or use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to Seller, and Buyer assumes the risk of any such storage, handling or use. Seller shall not be responsible for incidental or consequential damages, if any, resulting from a breach of warranty.
