

# Protank™

Liquid Spray Tank Cleaner and Neutralizer

**PROSOURCE ONE**

## Assures clean spray tanks

*Protank predissolved liquid tank cleaner removes scale and dirt, neutralizes acidic-type chemicals, and reduces strainer clogging and nozzle wear. The first liquid cleaner approved by DuPont for use with sulfonyleurea herbicides, Protank makes the sulfonyleureas more soluble, so they're easily rinsed away. It cleans effectively without leaving behind residual particles like dry formulations can.*

### ACTIVE INGREDIENTS

|                              |     |
|------------------------------|-----|
| Active ingredients . . . . . | 46% |
| Inert ingredients . . . . .  | 54% |
| Total = 100%                 |     |

# Protank™

Liquid Spray Tank Cleaner and Neutralizer

**PROSOURCE ONE**

## Uses

**Protank** can be used to clean all types of spray tanks — from large spray rigs, to walking boom sprayers and backpack spray tanks.

- In all-purpose tanks it lessens contamination when changing from one chemical to another.
- In single-purpose tanks it assures accurate dosage by removing chemicals from the previous batch.

Agitate solution and circulate liquid through valves, hoses and pump, before spraying out through boom and nozzles, to protect equipment and minimize wear.

## Benefits

**Protank's** predissolved liquid formulation provides effective tank cleaning performance:

- Removes scale and dirt
- Neutralizes acidic-type chemicals
- Protects pumps and valves
- Reduces strainer clogging
- Minimizes nozzle wear
- Leaves no residual particles on tank walls

### APPLICATION RATE

| Tank Size                   | Application Rate         |
|-----------------------------|--------------------------|
| Large tanks: 100-300 gal.   | 1 pint per 50 gal. water |
| Small tanks: under 100 gal. | 1 ounce per 3 gal. water |

### PACKAGING

Protank comes in the following packaging options for your mixing and storing convenience:

- 1 quart container
- Case: 12 x 1 quart
- 1 gallon container
- Case: 4 x 1 gallon

Always read and follow label directions.
