## **Turf & Soil Wetting Agent**

**GOLD LABEL**

---

### **General Information**

PROFORMA GOLD LABEL is a liquid nonionic wetting agent that is specially formulated to prevent and control localized dry spot conditions that frequently occur with soils containing high sand content or exhibiting other hydrophobic conditions. PROFORMA GOLD LABEL is a proprietary blend of natural and synthetic ingredients that effectively alter the property of water to enhance soil moisture content. PROFORMA GOLD LABEL is effective for use on all golf courses, sod farms, recreational, commercial, and sports turfgrass areas to reduce watering requirements and maintain quality turf. University research shows that PROFORMA GOLD LABEL provides extended residual activity when certain application guidelines are incorporated. The environmentally balanced ingredients used in PROFORMA GOLD LABEL allow flexible use rates and a variety of application techniques.

### **CAUTION KEEP OUT OF REACH OF CHILDREN**

#### **Active ingredients**

Proprietary blend of propanediol and glycoside ingredients.....100%

---

### **Application Information**

PROFORMA GOLD LABEL is recommended for use with a variety of highly maintained turf applications.

#### **Golf Course Greens & Tees:**

*As a preventative treatment for localized dry spot with extended residual activity:*

Apply an initial application of PROFORMA GOLD LABEL early in the season after irrigation has begun. Apply 8 fl. ounces of PROFORMA GOLD LABEL per 1,000-square feet of turf area in 1 to 3 gallons of water. Repeat application 7 to 14 days as a follow up treatment.

*As a localized dry spot curative treatment:*

Sequential monthly applications of PROFORMA GOLD LABEL can be made even during high stress turf conditions. Apply 4 fl. ounces of PROFORMA GOLD LABEL per 1,000-square feet of turf area in 1 to 3 gallons of water. Following any wetting agent applications a light watering of treated turf areas is recommended to reduce concentration on the leaf surface and promote infiltration into the soil. Following any wetting agent applications, a light watering of treated turf areas is recommended to reduce concentration on the leaf surface and promote infiltration into the soil profile.

Prior to use, always be sure that spray tank and equipment lines are thoroughly cleaned and free of any contaminants. Conduct compatibility and turf safety tests prior to mixing this or any wetting agent with other plant protectants or fertilizers. Wetting agents can enhance the efficacy of other tank-mix active ingredients and possibly release sediment or active ingredients remaining in spray tank or spray lines.

#### **Golf Course Fairways, Sod Farms, Recreational, Commercial, and Sports Turfgrass Areas:**

Apply PROFORMA GOLD LABEL mid to late spring or well in advance of the high heat stress period by diluting 2.5 gallons of PROFORMA GOLD LABEL to every 100 gallons of water and apply to every acre of turfgrass. Re-apply as conditions require.

#### **Injection into Irrigation Systems:**

Apply 1 to 6 qts. per acre. Repeat injections as needed. Supplemental treatment of tees and greens may be required due to the diluted rate of application common with irrigation injection systems.

#### **Recommendations of Use in Wisconsin:**

For applications involving use of this product within the State of Wisconsin, PROFORMA GOLD LABEL is recommended for use on turfgrass grown on sand-based constructed soils such as those found on golf courses and athletic fields.

#### **Lawn Care:**

Dilute in 5 to 10 gallons of water. Apply 8 to 16 fl.oz. per 1,000 sq. ft. for season-long residual performance. Water briefly after application to move the soil surfactant into the soil.

#### **Trees, Shrubs, and Flowerbeds:**

Dilute in 5 to 10 gallons of water. Apply 4 to 8 fl. oz per 1,000 sq. ft. Apply every 7 to 14 days to aid water penetration. Irrigate immediately following application.

#### **Mixing With Water:**

This product mixes readily with water. Mix spray solutions of this product as follows: Fill the mixing or spray tank with the required amount of water. Add the recommended amount of PROFORMA GOLD LABEL near the end of the filling process and mix well. During mixing and application, foaming of the spray solution may occur but will slowly dissipate. To minimize foam, avoid the use of mechanical agitation, terminate by-pass and return lines at the bottom of tank and, if needed, use anti-foam agent.

## Precautionary Statements

**Caution: May cause eye irritation. Do not get in eyes, on skin or clothing.** Applicators should wear goggles or a facial splash shield and chemical-resistant gloves. Wash hands thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

## First Aid Measures in Case of Contact

**Eye Contact:** Immediately flush eyes with large amounts of water for 15 minutes lifting the lower and upper lids. Seek medical attention if necessary.

**Skin Contact:** Remove contaminated clothing and immediately wash affected area with large amounts of water for at least 5 minutes. If irritation or redness persists, seek medical attention as needed.

**If Swallowed:** If victim is conscious and able to swallow, quickly give milk or water to dilute. Do not give sodium bicarbonate, vinegar, or fruit juices. Seek medical attention if necessary. Induce vomiting only upon advice from a physician.

**Inhalation:** Move individual to fresh air and check to assure adequate respiration. Seek medical attention if necessary.

## Notice of Warranty

### Limited Warranty and Conditions of Sale

Buyer assumes all risk and liability from the results obtained by the use of any goods delivered hereunder, or in manufacturing processes of buyer, or in combination with other substances. PROSOURCE ONE shall not be liable for any claim of any kind, whether as to goods delivered or for non-delivery of goods except specifically provided herein. In no event shall PROSOURCE ONE be liable for special, incidental, or consequential damages, or for damages, in their nature of penalties relating to the goods sold. PROSOURCE ONE shall not be liable to buyer or user by way of indemnification to customers of buyer, if any, or for any damages or sums of money, claims or demands whatsoever, resulting from or by reason of, or rising out of the misuse, or failure to follow label warnings or instructions for use of the goods sold by PROSOURCE ONE. Buyer or user's exclusive remedy and PROSOURCE ONE's total liability shall be for damages not exceeding the cost of the product.

### Warranty Disclaimer

The goods sold to you by this agreement are furnished "as is" by PROSOURCE ONE and are subject only to the manufacturer's warranties, if any, which appear on the labels of the product. PROSOURCE ONE makes no other warranties, guarantees, or representations of any kind to buyer or user, either expressed or implied or by usage of trade, statutory, or otherwise with regard to the product sold, included but not limited to merchantability, fitness for a particular purpose, use or eligibility of the product for any particular trade usage. Ineffectiveness, or other unintended consequences may result because of such factors as the presence or absence of other materials used in combination with the goods, or the manner of use or application or atmospheric conditions, all of which are beyond the control of PROSOURCE ONE. In no case shall PROSOURCE ONE be liable for consequential, special or indirect damages resulting from the use or handling of this product. The buyer or its customers shall assume all such risks. Tests have not been carried out under all possible use conditions and PROSOURCE ONE cannot and does not warrant that the products is compatible with all other plant protectant products.

The law of the state from which such goods are to be shipped shall govern the validity, interpretations, and performance of this agreement with respect to goods delivered. This writing contains all of the representations and agreements between buyer and PROSOURCE ONE and no person or agent of PROSOURCE ONE has any authority to make representations or warranties or agreements relating in any way to the goods.
